Current State of Biofuels for Transportation

Free!

**Wednesday June 10th, 6-7:30 pm
Cabrillo Pavilion Arts Center
1118 E. Cabrillo Blvd.
Santa Barbara, CA**

Presentations by Dr. Charles Fishel, CEO of Abundant Biofuels Corp. and Mitch Hawkins, CEO of JatrophaBioJet Corp. Presenters will discuss the status of development of sustainable biofuels for road and air transportation and projections of market growth. A question and answer period will follow the presentations.
